

International Concert Promotion & Production

Company profile | August 2026

Live events, built end to end.

ILS Vision Live

ILS Vision develops and delivers high-impact concerts and touring projects across Türkiye and international markets. We combine artist relations, local market intelligence, production management, promotion, ticketing and digital reach within one execution platform.

YE Live in Istanbul proved execution at stadium scale.

LANDMARK CASE STUDY | 30 MAY 2026

Presented by ILS Vision and TEMACC, in collaboration with Access Opera, the event brought Ye to Türkiye for the first time and marked his return to a European stage after more than a decade.

118,000

reported attendance at Ataturk
Olympic Stadium

2 hours

headline performance on a
high-spec stadium production

1st

Ye performance in Türkiye; first in
Europe since 2014

Leadership across two decades.

Erdem Karahan | Founder

Erdem Karahan brings long-standing experience across international artist relations, touring and large-format concert development. His track record connects early global productions with ILS Vision's current ability to originate and execute landmark projects across complex markets.

A track record across global pop, European touring and stadium shows.

2002

Britney Spears

Selected international concert experience at the height of a global arena-tour era.

EUROPE

Goran Bregović Tarkan European Tour

Artist-led projects designed for cross-border audiences and European market execution.

2026

YE Live in Istanbul

A 118,000-attendee stadium event that positioned ILS Vision on the international concert map.

One operating platform covers the complete live-event value chain.

Artist Booking

Negotiation, deal structure and artist relations.

Tour Development

Market selection, routing and local partnerships.

Production

Stage, sound, lighting, video and show delivery.

Venue Operations

Stadium planning, access, security and crowd flow.

Ticketing

Sales strategy, distribution and access technology.

Marketing & PR

Launch campaigns, media and audience conversion.

Sponsorship, brand integration and hospitality.

Digital Extension

Content, rights, monetisation and global reach.

2027 pipeline: three Kanye cities, two new targets.

PROJECTS IN DEVELOPMENT

Target cities and dates are planning-stage information and remain subject to final artist agreements, venue availability and regulatory approvals.

Kanye West

Copacabana, Rio de Janeiro
February 2027

Kanye West

Moscow
10 July 2027

Kanye West

Munich
17 July 2027

Additional 2027 Targets

Bruno Mars
AC/DC - Summer 2027

ILS Vision connects international artists with markets that demand local intelligence and global standards.

WHY ILS VISION

Our advantage is the combination of trusted artist relationships, operational ownership and an established digital entertainment ecosystem.

Market Access

Strong local execution across Türkiye and non-traditional international markets.

Integrated Delivery

A single team across booking, production, promotion, ticketing and operations.

Digital Leverage

Distribution, rights and audience infrastructure that extends every live project.

ILS VISION

Let's build the next landmark.
